

# 5 BRIDGES CHURCH

## I want to join a Small Group Fellowship. Which should I join?

Please use this chart as a helpful guide to determine which Small Group Fellowship may best be suited for your life stage. Of course, these are merely suggestions and you have the freedom to select any group regardless of your current season in life.

*If you would like to join a group for mentorship opportunities, please choose a group based on your area of experience and desire.*

To learn more about our SGFs please see our informational handout.
